

DRIVER NOTES

**IF IT DOESN'T SAY YOU CAN'T
IT DOESN'T MEAN YOU CAN!!!**

1. **PURSUIT**

- a) If you are passed before one lap is complete you will still receive points.
- b) In order to receive prize money as per pay schedule you must take initial green.

2. **MECHANICAL FLAG CONDITIONS**

- a) Flat Tire
- b) Unsafe car (body damage etc.)
- c) Excessive smoking, leaking fluid, etc.
- d) Missing safety equipment

3. **HOWEVER NO POINTS OR PAY WILL BE GIVEN IF YOU RECEIVE THE BLACK FLAG FOR:**

- a) Unsportsmanlike behavior
- b) Failure to heed the passing flag
- c) Intentional delay of race

4. **NOTES**

- a) All drivers must run in the track surface if needed and requested by track officials. All drivers must wear helmets
- b) No helmets are to be put on until drivers have been placed into the chute
- c) Cars running screens instead of windshields must run a hood at all times. In the event of a wreck, track safety personnel will decide if it is safe enough for a car to run without a hood
- d) Drivers may elect to go to the rear of the heat or feature
- e) If a race program starts to run long, the raceway reserves the right to place a time limit on the remaining races. Drivers will be notified via the one way radio system
- f) All drivers that compete in the Modified and Late Model division are highly recommended to obtain a UMP license.
- g) **NO** crew members allowed in the pit chute area
